Highlights

Coral Estate, a unique resort with comfortable luxury and natural Caribbean splendor for residents and tourists. At Coral Estate you live in a unique, safe place where you feel quickly at home. Homeowners and tenants can make use of the private beach with lounge chairs, palapas, palm trees, shower and restrooms.

This cozy home located in the Coral Estate has 2 bedrooms and 2 bathrooms. One has a walk in closet. The high ceiling in this open living room with kitchen keeps the home nice and cool.

The spacious partially covered wooden porch/deck (100 m2) is a wonderful space for easy outdoor living and has a breathtaking view of the Caribbean Sea with a swimming pool. The home has a separate laundry room and underneath the home there is a covered storage area. The build up area of the home is 120 m2 and the lot size is 525m2.
