Blue Bay is just a few minutes from the airport and the fine dining, shopping and cultural delights of downtown Willemstad.

Blue Bay golf course

Enjoy the 18-hole championship golf course at your doorstep. The exciting golf course is well known for its spectacular location and dramatic views. It provides a challenge to any golfer thanks to its undulating layout, relentless trade winds, several holes where you will have to play over or along the Caribbean Sea and the narrow fairways flanked by the water and rugged local vegetation. Because of Curacao's wonderful climate, Blue Bay Golf is open year-round. The course has a great practice facility, a complete Pro Shop and a welcoming bar to cool off after a game.

Relax on stunning Blue Bay Beach

Palm trees azure blue water and tropical temperatures are yours to enjoy at the impeccably maintained Blue Bay Beach. It offers plenty of shady spots, comfortable sun beds, showers, bath- and changing rooms, a fresh water swimming pool with a special children's pool, a beachvolleyball field, a playground and many other amenities among others tennis courts and a fully equipped gym.
