Highlights

Pineapple Estate is the first "gated community" project built in Curaçao.

A gated community a residential estate where all the entrances and exits are closed so everyone entering or leaving the estate may be monitored. The Pineapple Estate consists of 9 spacious dwellings with a communal swimming pool, in the Dominiquito district. The houses are built in different styles and none of them are alike. This beautiful home is located in Pineapple Resort.

This house is very modern and new it has 4 bedrooms and 3 bathrooms.
